EDUCATION

Bachelor of Science (Hons) in Networks and Cybersecurity, Sunderland University

2019 - 2022

EXPERIENCE

Full Stack Developer

Capaso.io

June 2022 - Present

Manchester, UK (Remote)

- Spearheaded the development of scalable, user-focused web applications leveraging React, Next.js, and TailwindCSS, ensuring seamless functionality and responsiveness across devices.
- Collaborated with cross-functional teams to streamline system workflows, optimize performance, and enhance frontend-backend integration.
- Optimized system performance by identifying bottlenecks and implementing efficient code refactoring practices.
- Played a pivotal role in the revamping of company-wide software development processes, integrating CI/CD pipelines for faster and more reliable deployment cycles.

Full Stack Developer (FE heavy)

Thrive Creative Media

Apr 2018 - Jul 2019

Abu Dhabi / Dubai, U.A.E

- Designed and developed high-performing web and mobile applications using Flutter, JavaScript, and modern frameworks, ensuring seamless user experiences.
- Managed the integration of AWS and Azure services into project workflows, reducing cloud costs and improving application performance by 30%.
- Acted as a key contributor in troubleshooting and resolving complex software issues, minimizing downtime, and ensuring reliable system functionality.

Systems Administrator

Future man HR

Feb 2017 - Apr 2018

Abu Dhabi, U.A.E

- Managed network infrastructure, including servers and storage systems, to ensure optimal performance and reliability.

L2 Technical Support

Future man HR

Jan 2016 - Feb 2017

Abu Dhabi, U.A.E

- Provided efficient second-level support, resolving technical issues promptly to minimize downtime and maintain productivity.
